

LOVELY

*You are lovely as a cherished song
Carried on the summer breeze
Across the quiet harbour.*

*You are lovely as an autumn day
When trees parade their colour
And chestnuts drop in silence*

*You are lovely as the tranquil night
Where the moon lights the red shore
And people crowd the boardwalk.*

*Chelsea and Jono: I came across this wee poem
when going through our Uncle George's book of poetry
(published in 2014, when he was 100 years old).
Don't know if you will find it appropriate,
but believe it applies to both of you:*
